Mr. Kippenbrock said at the last meeting the Board authorized the agency to publish the Ordinance replacement. In the packet is the proposed Ordinance. If approved it will take effect on October 1, 2021. Both the City and County are fully aware of the changes. We shared the information with the five haulers who make up 66% of our haulers. The other 33% are individual haulers.

B. DISCUSSION ON RETURNING TO IN-PERSON MEETINGS.

Mr. Kippenbrock informed the Board that Rosalie has reached out to County staff at the new County Administration Building regarding meeting place options. We are not sure yet of the requirements to meet at the County building. We are going to wait one more month before deciding and see what the Governor says about any requirements that need to be in place.

Commissioner Hansen said she spoke to the County Manager about this and she suggested the Plaza room in the County building.

Chair Vigil Coppler said that the City Council is meeting in the Chambers with plexiglass between us and the public and staff on Zoom.

Commissioner Hansen said the County is doing the same except with staff present.

Everyone agreed to have the July meeting in a virtual setting.

Commissioner Hughes said we need to be sensitive to folks who may not be able to get the vaccine due to health issues.

Chair Vigil Coppler said the July meeting will be on Webex. We will have this item on the July agenda to see where we are.
